MEMORANDUM FOR THE DIRECTOR

**SUBJECT: NIE 36.1-57: The Outlook for Egypt and the
Nasser Regime**

BACKGROUND

1. This estimate supersedes NIE 36.1-55: "The Outlook for Egyptian Stability and Foreign Policy", 15 November 1955. It was scheduled as a part of our regular Estimates program and, although delayed to make way for NIE 30-2-57: "Near East Developments Affecting US Interests", has been pushed to completion in order to provide further support for the Planning Board's review of US policy on the Near East.

SUBSTANCE

2. The representatives have no dissents or reservations and we anticipate no major substantive questions being raised in the IAC concerning this paper.
